Growing Through Literacy

September 29, 2026

Attendees gather over lunch to hear from students, staff, and supporters about Literacy Network's impact on the Dane County community. While many existing supporters participate, **this free event also provides an opportunity for community members to be introduced to Literacy Network, its students, and its mission.**

"Now, I speak English with my children's teachers. Before, I needed an interpreter."
-Amie, ESL student speaker

"Learning the language has given me the opportunity to have new goals and dreams."
- Maria, ESL student speaker

"It gave me the foundation for my secondary education and ultimately my career."
-Louis, high school completion speaker

About Literacy Network: Literacy Network helps adults in Dane County build skills, reach goals, and connect communities. By participating in Literacy Network's classes and personal tutoring programs, adult students (1,724 in 2025!) work toward improved literacy to achieve their dreams.
